'OHANA FEST 2026

SATURDAY, SEPTEMBER 12, 2026 | Suisun Waterfront
A WK Foundation Event in Partnership with Suisun City

INTRODUCTION

'Ohana Fest is brought to you by WK Foundation 501(c)(3) in partnership with the City of Suisun City. This year's festival is scheduled for **Saturday, September 12, 2026 at the Harbor Plaza in Suisun City, CA.**

We are excited to welcome our Solano County 'ohana (family) and beyond to engage in a day full of Pacific Island culture by way of entertainment, food and shopping while supporting a great cause that addresses violence involving seniors, women, and children.

'Ohana Fest will begin promptly at 10 a.m. with a Hawaiian pule (prayer) followed by nonstop entertainment from various hula hālau, pupu 'ori, and our very own Wahiawa Kajukenbo students, along with delicious food and shopping carefully curated for this event.

'Ohana Fest is a FREE outdoor event.

ABOUT US

'Ohana Fest began as a vision to bring aloha to the multi-rich demographics of our community while raising awareness and funding for WK Foundation initiatives that addresses violence involving women and children.

Our 2026 festival welcomes all community members regardless of age, race, gender, and socioeconomic status to participate in a day full of Pacific Island culture and to celebrate as one 'ohana.

OUR AUDIENCE

As 'Ohana Fest grows, so does our need for support. Your participation allows for us to deliver the largest Pacific Islander event in Solano County. Sponsorship allows for brand advertising and promotion on all our social media platforms along with event day exposure.

WHO ATTENDS 'OHANA FEST?

Within 4 years, 'Ohana Fest has grown exponentially: 2025 surpassed 3500 people in attendance, while reaching more than 50,000 accounts on social media.

50% of our audience comes from within a 50-mile radius of Solano County and as far away as Placer County and Santa Clara County.

The largest Solano County racial/ethnic groups are Caucasian (38.6%), followed by Hispanic (26.5%), African American (14.2%), and Asian (13.9%). More than half (61.8%) of Solano County's total population is comprised of residents between 18 and 64 years of age. In 2023, Solano County's median household income was \$87,770, slightly higher than those of San Luis Obispo (\$80,615) and Santa Barbara County (\$84,846).
